About us

Zhejiang Joy Commodities Co., Ltd. is a professional manufacturer in the cleaning industry. Since year 2004 it has developed its product range and now offers all kinds of cleaning products including spin mops, flat mops, spray mops, PVA mops, brooms and wipers, window cleaners, brushes etc..

It is one of the member companies who developed the quality standards for national yarn mop industry. Joyclean employs numbers of experienced technicians and engineers in the home cleaning industry. The whole factory covers an area of more than 6,000 square meters with over 100 employees, and 20 injection molding machines, which ensures a production capacity of 150,000 sets per month. Joyclean will continue its company philosophy all the way "Integrity, Innovation, Quality, Growth", and provides customers with high-quality, sustainable products and services.

Joyclean has sold mops to over 20 countries, including: USA, Canada, Poland, Germany, Brazil, France, Turkey, India, Vietnam, Malaysia, Thailand etc.

Buy from us, an easier job for cleaning.
